

CLS Classified Listing Service

Vivinavi is a local community website for your daily life, offering Classified Listing Service (CLS). Classified Ads is a list of various information and advertisements organized by areas and categories, such as "Sell," "Buy," "Wanted," and "Teach Me." Since both individuals and companies can use our message boards, please freely post your news, announcements, wanted ads, and so on. The more posts are published, the more local communications are exchanged and the more useful it becomes.

Local communication begins from your post

Both individuals and companies can use Vivinavi for a variety of purposes including recruiting club members or volunteers, announcing various events, and distributing flyers.

Recommended
for beginners

Q Is Vivinavi free or paid service?

A Individuals can freely view and post on free message boards. Companies can use paid advertising services and a few free services.

Q Is User Registration required?

A You can use free message boards without User Registration. If you register and log-in as a user, you can manage your posts, files, and messages more easily. In addition, your posts will be listed faster if you log-in and post.

Q Is User Registration free? How about Company Registration?

A Both User and Company Registration are free. Fees will be charged only when you use paid advertising services. Both companies and individuals can use paid advertising services.

Q Will my name be published?

A You can set up your username and make your name invisible.
